Terms of Payment. Paying online with a bank card

Our site https://findmykids.org/ allows online purchases, and you can pay for our Service by using Visa or MasterCard bank cards. After the purchase of the selected Product accepted, a secure window with the Paymentwall processing service will open, where you need to enter the information of your bankcard ("CardHolder information"). 3D Secure is used for additional user verification. If your bank supports this technology, you will be redirected to their server for additional authentication. You can find more information about additional authentication methods by contacting the bank, which issued your card.

Security guarantee

Paymentwall system protects and processes your bankcard information according to PCI DSS 3.2 security standard. The information to the payment system is sent encrypted with the use of SSL encryption technology. Further information processing is done through closed banking networks, which have the highest security measures in place. Paymentwall does not send or give your CardHolder information to any third party. 3D Secure technology is used for additional user verification.

Online payments safety

The CardHolder information you enter (name, address, phone number, email, credit card number) is confidential and is never shared with anyone. Your credit card information is always sent encrypted and not stored on our Web-server. The Bank guarantees the safety of all processed online payments. All operations done with the payment cards are done according to the requirements listed by VISA International, MasterCard, and other payments systems. Special technology is used to send the information to ensure security of online purchases, and the information is processed on a secure high-tech server of the processing company.
